

SUBCONTRACTOR

D.A.K. Subcontractor Agreement

I HEREBY UNDERSTAND that I am given work, on an as-needed basis for Demand Assistance Korp/ DAK Security Agency Inc. I am not a full-time or part-time employee. As an independent contractor on a per-event basis, I will receive a 1099 at the end of the year for work I performed and I will be responsible for paying my own taxes on the amounts I earn. I elect to make myself available to work during only the events that I choose to participate, subject to the need for my services by both companies. I understand that certain summer months are very slow and work may not be available. I understand that working at one or more events does not entitle me to consideration for part-time or full employment, nor to any fringe benefits or unemployment compensation programs. I understand services that I offer may be terminated without cause and without advance notice. I will be responsible for contacting office to learn of upcoming events, and for offering my services when event-staffing needs are posted.
